WHO ARE YOU LOOKING FOR?

This program is by invitation only - not because I want to exclude people, BUT each person chosen will be representing my brand, so I have to be selective. Here's what I'm looking for...

- you get along well with others - we will have several group sessions, and things will be moving quickly, so you have to be easy going and encouraging to each other
- you are self confident and comfortable in front of the camera - I'm not saying you have to be a professional model or anything, but in group settings, I need people who aren't going to second guess the way they look in every picture...just trust me to make sure you look amazing, do what I direct you to do, and get ready to see yourself as the beautiful person I see when I'm looking at you!
- you like to have fun - this is seriously one of my TOP priorities in this program...it's going to be a lot of work for me, so I want to enjoy it and I want YOU to enjoy it
- you have to be willing to go with the flow - things sometimes get a little chaotic during these themed shoots and I need you all to just trust the process and laugh if something doesn't go according to plan (think makeup artist has a tire blow out on the way to the shoot and someone has to step in and do makeup at the last second) because everything will turn out great in the end
- you (and your parents/guardians) have no problem with me posting photos videos of you on my social media

ABOUT ME

I'm a lawyer, turned teacher, turned full-time photographer & videographer. My work isn't "traditional" because I'm completely self-taught, so I play by my own rules. I believe life is too short not to make the most of every single day. I laugh a lot and I like to have fun. Boring pictures are not my thing.
