I am here to help you ENJOY the wedding planning process and your wedding day. We are all about having fun! I've got you!

I WILL BE WITH YOU EVERY STEP OF THE WAY!

ABOUT ME

I'm a lawyer, turned teacher,
turned full-time photographer.
My photos aren't "traditional"
because I'm completely self-
taught, so I play by my own rules.
I believe life is too short not to
make the most of every single day.
I laugh a lot and I like to have fun.
Boring pictures are not my thing.

Elopement? Destination Wedding? Count me in (PLEASE)!

Have I mentioned how much I love to travel? If not, I LOVE TO TRAVEL!

Picture this...you skip all the wedding planning business and you and your honey fly me and my assistant to Yosemite National Park. We get up before sunrise and hike up to Taft Point and you get married on that stunning cliff with the sun rising behind you while we get photos and video of it all! Or maybe we head to Glacier National Park and you get married by the edge of Lake McDonald, standing on the colorful rocks with the mountains out across the lake...Or under one of the arches in Arches National Park in Utah... Okay, I'll stop dreaming and get back to business.

If you want to go somewhere cool, I'm always up for an adventure and I can provide a customized package for you including photo and video coverage. Send me the details or heck, I'll even be glad to give you some ideas based on places I've been. In the end, I bet you will save a ton of money and have your WEDDING and HONEYMOON all in ONE with one of the coolest sets of photos and video that your friends will DROOL over.

I'm already excited just thinking about it. Pricing will depend on the timing, the location, and the details, but it may not be as expensive as you think, so don't be afraid to ask!! You can always choose the traditional route if you decide you'd rather.
