SENIOR SESSIONS

SENIOR PICTURES DON'T  
HAVE TO BE BORING.

# ABOUT ME

I'm a lawyer, turned teacher, turned full-time photographer. My photos aren't "traditional" because I'm completely self-taught, so I play by my own rules. I believe life is too short not to make the most of every single day. I laugh a lot and I like to have fun. Boring pictures are not my thing.

# 01. FORMAL/GLAM

Don't be afraid to dress it up for a few photos.

Pull out the formal attire and go glam to really step up your gallery.

# 02. EDITORIAL/FASHION

Fashion magazine-inspired photos are some of my favorites.

Don't worry about posing. I've got you covered and will walk you through it all.

Props like sunglasses, purses, and hats are great to include.

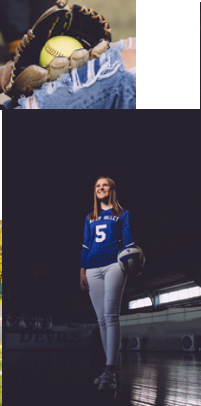

Do you play a sport? Let's incorporate that into your photos.

You'll want to look back and remember those days as you get older!

# 03. SPORTS

# 04. NATURE

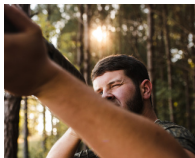

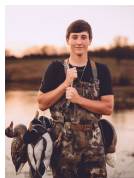

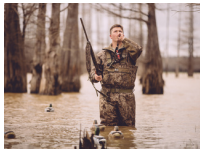

There is no better way to focus all the attention on YOU than to go with a simple background - some tall grass in a field, trees in a park, a levee by a pond...you get where I'm going here.

Some seniors like to take photos on property that belongs to their family or a friend - somewhere that is meaningful to them.

# 05. HOBBIES

Here's where we can really have some fun! Do you hunt? Fish? Fix up old cars? Maybe you're into pageants or play an instrument? Let's incorporate some of your favorite things that help make you the unique person you are!

# 06. TRAVEL?

Do you want your photos to be taken in a spot NO ONE else from your school will use? This idea isn't for everyone, but.... if you want to cover my travel expenses to a cool destination, I would love to take your photos while you take a vacation!

# 07. GROUPS

Do you want a set of photos with the people you've spent the last few years of your life with? It's a fun way to celebrate the end of an era!
